THE WORLD'S TOUGHEST SHREDDERS™

FELLOWES® MS-470Ci

Unique Features

Superior Security (Din 4). Shreds 1 piece of A4 paper into over 3000 pieces

Jam Proof System automatically stops & reverses the machine when too much paper is inserted

Automatically stops shredding when the throat area is touched

Provides ultra quiet operation, minimising office disruption

Unique sliding flap covers cutters when bin is removed containing any remaining shreds

Shredder switches to standby mode after 2 minutes of inactivity reducing the amount of energy consumed

Continuous run time ensures shredder is always operational

How the 100% Jam Proof System works:

- 1 The shredder electronically measures paper thickness to prevent paper jams.
- 2 Watch the light bar while you shred:
 - Green to yellow means you are within the recommended range
 - Red means the shredder is overfed – remove excess paper to resume shredding.
- 3 If a misfeed occurs, the 100% Jam Proof System will power through it!
